Note: This quick copy published volume includes talks prepared by panelists and speakers for the first symposium of the Textile Society of America held at the Minneapolis Institute of Art held September 16-18, 1988. The papers are unedited and have been reproduced as submitted by each author. The speakers were vetted by the 1988 program chair for the Textile Society of America; but the Society takes no responsibility for the content or accuracy of the submissions printed here.

Copyright remains with each author. No part of this book may be reproduced in any form or by any electronic or mechanical means including information storage and retrieval systems without permission in writing from the author, except by a reviewer who may quote brief passages in review. Students or researchers wishing to cite specific authors are encouraged to contact those individuals, as many of these papers represent work in progress or work which has been committed for publication elsewhere.
